3. 0° to 90° adjustable hinge design

1. VESA 75 / 100 compliant with height adjustable
2. Designed holes help to dissipate the system heat

Features:

- 0° to 90° adjustable hinge design allows comfortable viewing
- Standard VESA 75/100 Compliance
- Heat dissipation holes designed
- Compact size easy to use and mount anywhere

A. One fits all solution

V-Stand is designed around compact and tilt adjustable. Providing mobility and ergonomic comfort fits common wall mounting and ceiling mounting situations

B. 0° to 90° Excellent adjustability

you can change the angle of the stand from 0° to 90° to reach almost any point with ergonomic features for comfortable viewing

POS system

Self-ordering System

No Hinge Limitation!

C. Space saving and easy installation

2. Select the position to mount stand kit

3. Plug in the system to operate

Compact size provides mobility
